Subject: Nomination information for Bob Murrin, FAIA
for the board position ***AIA California of Secretary/Treasurer***

Dear Brett:

Thank you for the opportunity to provide you with this backup information related to my nomination for the board position of AIA California Secretary/Treasurer.

Background, education, professional history, and service to the profession:

Education: Bachelor and Masters Degree in Architecture from the USC.

Professional History: Bob Murrin is a Principal of AC Martin and has practiced there since 1976.

Service to the Profession: Elected of the College of Fellows of the AIA in 2014 and is a LEED Accredited Professional. LBAIA's representative to the AIA California's Board of directors: active on the finance committee, and the Educational Task Force committee.

Bob was President, Vice President, Secretary and director of the **Long Beach/South Bay AIA**. He was President of the Board of the USC Architectural Guild and was President of the Friends of the Gamble House.

Bob was Board Chairman for the YMCA of Greater Long Beach, & active on their finance and governance committees.

Philosophy, goals and objectives in serving in the position of Secretary/Treasurer of the AIACA.

If elected to the position of Secretary/Treasurer of the AIA CA I would act in a strategic manner that emphasizes long-range vision, proactive leadership on key financial issues, and policy development that will define and guide the ongoing work of the AIACA. My role as the Secretary/Treasurer would be to oversee the financial position of the AIA and to report on the financial position of the association to the Board of Directors and the membership. As a member of the Executive Committee my hope is to work collaboratively in a team environment to elevate the role, status, and conditions of the

profession. I am personally fiscally conservative, and would strive to manage the organization's recourses in a prudent manner with as little risk as possible. I am sensitive to the cost of dues to our members; yet understand the need to make sure that priority initiatives are properly funded. I will strive to be transparent and present the complex financial information in clear, concise and accurate ways.

Robert Murrin, FAIA, LEED
Principal, AC Martin
