

Revived Spaces: Adaptive Reuse Case Studies

SPEAKERS:
SARAH KUEHL, ASLA
ROCKY ROCKEFELLER, AIA
CHRIS KEMPEL, AIA NCARB

Cultivate a positive learning environment

Please use the Q&A function to ask questions for today's presenter

This session qualifies for 1 AIA LU/HSW – AIA CA will submit for you

A recording of this presentation will be made available on our website soon

LEARNING OBJECTIVES

Explore how adaptive reuse can promote and encourage cultural preservation, while also repurposing the site to the community's current needs.

Review examples of how adaptive reuse can show reductions in construction and operation emissions costs.

Study and compare urban design vs. commercial design application in these case study reuse projects.

Learn about the benefits for the occupants and local communities by preserving the site, while updating and adapting it to a new use.
