RFQ Number: FM260235

Project Name: UCSB East Campus Student Housing Special Testing and Inspection Services

Introduction & Background: Statements of Qualification (“SOQs”) are hereby solicited by the University of California, Santa Barbara (hereinafter “UCSB”, or “University”) from qualified individuals or consultant firms for the provision of construction testing and inspection services in support of the East Campus Student Housing project as described under RFQ No. FM260235. UCSB East Campus Student Housing project, located on the main UC Santa Barbara campus, is a new LEED Platinum residential community, providing student housing with a range of amenities and programs. Throughout construction, testing and special inspections are to be performed by a qualified consultant.

Construction Testing and Special Inspection is to be performed in accordance with Chapter 17 of the 2022 California Building Code, and shall include but are not limited to the following: Soils Engineering, Soil Mechanics, Soil Investigation, Testing, Sampling, Foundation Investigation, Various Samplings/Testing of Aggregate, Concrete, Concrete & Masonry Coring, Masonry Block & Veneered Block, Steel, Fireproofing, and Welding Inspections and. Required Certifications for relevant inspection and testing will be verified and required.

General Instructions: The complete RFQ documents will be available on the project page at www.ucsbplanroom.com/rfq on January 12, 2026. A shortlist of firms will be determined by a University screening committee, and final consultant evaluations and selection recommendations developed by a University selection committee.

SOQ Deadline: One (1) digital copy (.pdf) of each consultant team’s SOQ package must be delivered to UCSB by 4:00 p.m. on **February 13, 2026** via either: (i) the UCSB plan room page at www.ucsbplanroom.com/jobs/rfq (click the project link and the ‘Submit Bid’ tab then drag and drop your firm’s SOQ submittal) or, alternatively, (ii) an electronic (.pdf) copy on a thumb drive may be delivered to the following physical address:

Attn: Greg Moore, Associate Director, Contracting Services
University of California, Santa Barbara
6789 Navigator Way, 2nd Floor
Goleta, CA 93117

Equal Opportunity Statement: Each candidate firm will be required to show evidence of its equal employment opportunity policy. Every effort will be made to ensure that all persons shall have equal access to contracts and other business opportunities with the University, regardless of: race; color; religion; sex; age; ancestry; national origin; sexual orientation; physical or mental disability; veteran's status; medical condition; genetic information; marital status; gender identity; pregnancy; service in the uniformed services; or citizenship within the limits imposed by law or University's policy.

Julie Hendricks, AIA
Campus Architect & Director, Design and Construction Services
